23rd January 2017

Dear Parents/ Carers,

After much consideration and debate we have decided to change our behaviour system.

We currently grade all children in lessons for their attitude to learning in terms of a 1-5 scale, with 1 being an outstanding attitude to learning.

We are now going to use the 1-5 system throughout the day and will no longer issue red and yellow cards.

Children's behaviour for repeated 3 and 4 grades will be recorded and you will be informed of these. And any child who receives a grade 5 will get a phone call home and spend time with Mr Stark at lunchtime, discussing improvements that can be made.

Outstanding attitudes to learning will be promoted and recognised on a half termly basis alongside our dojo awards.

Please read the information attached and if you have any questions please don't hesitate to see me or Mrs Wetton.

Many thanks for your continuing support.

Mr Stark
Deputy Headteacher
